## Subject: Opening of the New Session 2026 - 2027

Dear Parents – Warm Greetings!

This is to inform you that the new academic session **2026–2027** will commence from **April 1, 2026**. The commencement has been scheduled earlier than the usual practice in compliance with the directions of our regulatory body, **Central Board of Secondary Education (CBSE)**.

The remaining proceedings of the **current session 2025–2026** have been carefully reviewed and reorganized to ensure smooth conduct of all activities and to prevent any inconvenience to students and parents due to the early opening of the next session.

The **important dates** related to the ongoing session shall be communicated through respective class teachers and shall also be available on the school website. However, please note that Term End Assessment for VI to VIII & Final Examination for IX & XI shall be organized from February 28 to March 14, 2026.

The **fee structure and payment schedule** for the session 2026–2027 are already uploaded on the school website for your reference.

We request parents to ensure **regular attendance** of their wards and to follow all instructions and updates issued by the school and teachers from time to time. Your cooperation and support are essential to facilitate a seamless transition into the new academic year.
